Itinerary

Jiuzhaigou is renowned for its stunning and enchanting natural features. This National Park, designated as a UNESCO World Natural Heritage site in 1992, encompasses three valleys that are home to 114 lakes, 17 waterfalls, 11 rip currents, and 5 travertine beaches. The breathtaking landscapes, combined with the rich Tibetan folk traditions, create a truly captivating and otherworldly destination.

Huanglong Park, also a World Natural Heritage Site since December 1992, is situated at an elevation of approximately 3,000 meters (9,840 ft). It is famous for its multicolored lakes. These lakes, with their various shapes and sizes, exhibit dreamlike hues of yellow, blue, green, and brown. These vibrant colors are a result of the natural minerals in the water and the way sunlight interacts with the water's surface. Surrounding the colorful lakes are pristine forests and magnificent snow-capped mountains.

Jiuzhaigou, China's premier national park, is situated between the Sichuan Basin and the Qinghai-Tibetan Plateau. It boasts crystal-clear lakes, enchanting waterfalls, untouched forests, endangered flora and fauna, and charming Tibetan villages to explore. The serene beauty of this natural wonder will transport you from your daily cares, inviting you to fully immerse yourself in its breathtaking scenery. Jiuzhaigou Valley, aptly named "Nine Village Valley" due to the presence of nine Tibetan villages within the park, provides a window into the distinctive culture of the local Tibetan-Qiang minority. Your overnight stay will be at Jiuzhaigou's Qianhe International Hotel or a similar 4-star accommodation.

Day 03 :

Drive to visit Huanglong Park, then transfer to Jiuzhaigou Airport for your onward flight.(B)

After breakfast, head to Huanglong Park, a 2.5-hour drive away, renowned for its vibrant lakes, stunning landscapes, and serene Buddhist monasteries. The park features a plethora of colorful ponds in shades of yellow, blue, green, and brown, scattered amidst lush forests. You have the option to explore the park either on foot or via cable car, allowing for a 4 to 5-hour experience. Afterward, you will be transferred to Jiuzhaigou airport for your late afternoon onward flight, concluding your trip to Jiuzhaigou.

Please note: The cable car at Huanglong Park is not operational from December 16th to the end of March during the winter season. If you wish to visit Huanglong during this period, be prepared for a challenging walk up and down. Alternatively, you can choose to visit Munigou Scenic Park, which offers easier access.
